

Baby Alora Ember Alsup

July 13, 2023 - December 14, 2023

Alora Ember Alsup passed away peacefully in the arms of her Mother on Thursday, December 14, 2023 at the very young age of only 5 months old. In her short time with us, Alora was able to touch all of our hearts and the lives of so many. She sadly passed away due to a Malignant Rhabdoid Tumor of the neck and was only the 6th known case of such cancer.

Alora will be remembered for her sweet and touching smile as well as her determined and fighting spirit. She fought her battle long and hard and would give the biggest smile as if she were telling you everything was going to be ok. Alora loved being held by her sisters, brother and cousins. She enjoyed the shows Not Quite Narwhal and Bluey. She was easily comforted by brushing your fingers on her forehead. She was always happy at bath time and shared the cutest faces while having her hair scrubbed. Our little warrior had more heart and fight in her five short months than most will ever know.

She is preceded in death by her Aunt Sharlesha Cohn, Great Aunt Kristina Maddux and Great Grandfather Ronald Maddux.

Alora is survived by her Parents, Ryan Alsup and Megan Carroll; sisters Sydney (11) and Serenity (8); brother Gage (11). Grandparents, James and Brenda Alsup; Paige and Leroy Carroll, Great Grandmother Martha Maddux, Aunt and Uncle, Lasheia and Bobby Begnaud; Simone and Kevin Cohn. Cousins; Hayden, Brantley, Shayleigh and Lucia.

Oh, tiny princess Alora, oh baby girl

Delicate and precious like a pearl,

You are wonderfully, beautifully made by the King And oh, the joy you do bring.

Your tiny toes, and button nose

Your dainty fingers, and mouth like a rose, Your fuzzy head, and eyes so sweet Never such perfection will we meet.

The way you feel in our arms and hearts

Never will that feeling depart,

Circumstances - we do not always understand

But we know God will hold you in His hands.

So special you are, and your soul so strong We will forever hear you in our song,

Our souls together now and always

For you - forever to the Lord we will praise.

"Because you are precious in my eyes, and honored, and I love you"

Isaiah 43:4

A celebration of life service to be shared at a later date.
