I worked with Amanda at CPSI and am also one of her mystic sisters. I remember all the long talks we used to have at work. She always seemed to have a smile even when she wasn't feeling it in her heart. Amanda was one of the most kindest people I've ever met and will miss seeing her at our mystic functions. She fought for so long and still had a smile and a sparkle in her eye for others. She will definitely be missed dearly.

“ *My cousin Amanda never had it easy, but I always appreciated how she strived to find things to celebrate and enjoy, trying to have a positive outlook. I was happy when she found George and will not forget the phone call we had when she knew she was going to have Daniel, her excitement and joy. I will miss her, our conversations and the light she shared. Love, Jay*
