“ *I miss you already Andrea. I always enjoyed our conversations about music, cooking and anything else. We kept talking about seeing each other at "the next" reunion. I'm sad that won't happen.*

“ *I didn't know Andrea was so ill and I'm aghast to find that she had died and that I didn't get to talk to her. I know she'd been kind of withdrawing from Facebook more and more and we just lost touch. Oh Andrea, I will miss you so much. My deepest condolences to her friends and family.*

Andrea was the sweetest, funniest person from Wisconsin, Indiana & Alabama ever. Good times eating out, taking in comedy clubs & other shows. Bubbly yet dry sense of humor. Love always; rest in peace. Say hi to Joe Cutrell & George Boalby in heaven. Mark Akard, Indianapolis, IN
