

Mr. Anthony Richard Collier

July 14, 1940 - September 17, 2023

Anthony (Tony) Collier was born on July 14, 1940 in Newbury, Berkshire, England. He spent his early career working as a marine engineer with British Shell Oil traveling the world. Upon leaving Shell he was employed as a marine engineer with Holland America. After emigrating to the United States, he worked for a few local companies and subsequently began his own business, Infrared One Consulting. He enjoyed this immensely and made many friends in the course of this endeavor.

Tone was preceded in death by his parents, Richard and Evelyn Collier of Newbury, Berkshire, England. He leaves behind to mourn his passing his wife, Joyce Daly Collier, his children Kim and Richard and Kim's partner John Penfold, daughter-in-law Elizabeth Collier-Bain, his sister-in-law Mary Lynn Amedy and her husband Mark Amedy. He has 5 grandchildren: Mariska Monaghan and her husband Dom Monaghan, Josh Penfold, Ryan Penfold, Macey Collier-Bain Ferns and her husband Anthony Ferns and Harrison Collier-Bain and great-granddaughter, Ava Monaghan. His cousin/sister Norma McDonald survives in the UK.

Tony was a caring and loving man who enjoyed life, his volunteer work at Christ United Church, target shooting with friends, his family and great numbers of rescue animals he cared for and loved. His joy in travel continued throughout his life. His last visit to England was taken a month prior to visit

friends and his daughter Kim and attend his granddaughter Macey's wedding. As usual, he enjoyed every minute. We will miss him and are thankful to have had him in our lives. We also offer our gratitude to the SICU of Mobile Infirmary and the excellent caring nurses and doctors who cared for Tony in his hour of need.

Family and friends will be received at the Christ United Methodist Church at 10:00 on Thursday with a Celebration of Life at 11:00 on Thursday, September 21, 2023.
