“ I've known Bethany since high school. She once gave me a home when I needed one. One of my favorite things about her was her compassion. I just saw her and wish I hadn't left so soon.. we had plans that'll never get fulfilled.. I love her lots. I'll miss her lots until the end of time. May her beautiful soul Rest In Peace

“ Bethany VaLaine Jones. We knew each other from elementary and middle school way way back. We reconnected 3-4 years ago and instantly clicked. We have spent everyday since then together. Not missing a single day until her passing. She was the love of my life. She was my reason to get up. I miss her now and I will always miss her. Rest In Peace pugga poot. I can't wait to see you again.
