“ A true friend that I was honored to call family. There aren't enough words to express how much she is going to be missed. Every time I see an orchid I will forever think of you. Orchid's represent spiritual enlightenment, inner wisdom, respect, admiration and gentle forgiveness. All qualities that my dear sister held.

*My dear sister Beverly, how you will be missed. Your smile was always present. Your kindness was an admired quality. You will be missed. See you in Paradise!!! There you will not suffer the pains of sin passed onto us by our forefathers.
