“ I will always love and miss you my heart. It breaks me knowing we didn't get all the years we planned together. I know you are no longer in pain and suffering but it sure doesn't take the pain away from loosing you. I honored your wishes and will continue to do so for the rest of my life. Until we meet again my love.

“ So so many memories to think of. I remember picking you up off the ground after being sucker punched and nursing you. You tattooing Chuck both passed out one with the tatto gun the other with the Jack on your hands. I am sorry I didn't get to see you in person again and how I wish i could have hugged you. Love you bubba Take care of Brady and Chuck. Meet you all in the mystic under the purple rain!
