Brandi, I did not know God was going to call your name.
In life I loved you dearly, in death I do the same.

It broke my heart to lose my sister, but you did not go alone.
Part of me went with you, the day God called you home.
You left me precious memories; your love is still in my heart.
Though I cannot see you, I feel you by my side.
Our family chain is broken, and nothing seems the same,
but God calls us one by one, and our chain will link again.
