

## Ms. Brooke Leah Gillis

July 17, 1979 - March 25, 2024

Brooke Leah Gillis-Taylor, a native of Mobile, Alabama, passed away at the age of 44 in her home on Monday, March 25, 2024. Through her challenging life, Brooke always seemed to find the light in all evil. In 2019, she was first diagnosed with Renal Cell Carcinoma (Kidney Cancer) and Relapsing Remitting Multiple Sclerosis. Throughout that time, she dedicated her life to her kids, Braden Vick and Ava Vick, and her husband Patrick Taylor. During this, she never made her life about being sick, she embraced every moment she had and put her loved ones before herself. In September 2023, her Renal Cell Carcinoma made a return, and was a very difficult battle for her. Throughout her final months, she still put her loved ones before herself even through this tough battle. Due to all of her health complications, she could not fight any longer and passed in the early months of 2024.

She was preceded in death by her husband Patrick Taylor, her son Braden Vick, her daughter Ava Vick, aunt Susan Drinkard Somerville and aunt Anna Drinkard Mobley, and survived by these same family members, various other family members, and many close friends.

To respect Brooke's wishes, there will not be a service held for her passing. Instead, Brooke would want all of her loved ones to celebrate the life she once lived instead of dwelling on her passing.
