“ *I am so very sorry to hear this. He was such a handsome guy. My grandfather (Russel) and Bruce's father (Francis) were brothers. My mother is Frankie Lou (Gatchel) Pilney. Bruce and I were born a month apart, but haven't seen each other since we were children. I really wish I had the opportunity to be closer with my Alabama cousins. My heart breaks for your loss of your beloved brother. May God comfort you all during this difficult time. I can be reached at 281-794-9674 if you'd like to be in touch. God Bless you now and always.
