“ Hi Big Brother, I'm sorry it's taken me so long to post something for you. Honestly, I didn't know what to say, other than, to apologize to you for NOT being a better brother to you, like I should have been. I guess, like most, I didn't want to mention stuff like that because it's incredibly embarrassing, not to mention, saying something like that in front of everyone, would mean I was admitting fault. No one wants to admit their own fault. However, I will admit, I was so wrong, with so many of my ways. I know, I know,.... it's too late to tell you that now. Some might say,.... It's not too late, that you'll hear me. I'm not sure if that's true or not, but if it is, please hear this, I LOVE YOU BROTHER!! I MISS YOU AND I REALLY WISH I COULD KNOW FOR SURE, IF YOU COULD HEAR ME SAY, I'M SO SORRY I WASN'T A BETTER BROTHER TO YOU! I LOVE YA BRO! RIP!

“ Casey I have so many special memories of watching you grow from a beautiful baby to a handsome man. You were so talented from singing to working with your hands. I will always remember and love you,
