“ A day never passed that Charles did not call and check on me. Sure going to miss his phone calls. He was a great friend and I'll always remember him.

“ Even though we only knew Charles not quite 2 years, he was truly amazing. I never saw him sad, depressed, or unhappy. He was always smiling and if you were down, he would pick you up. Charles loved getting me with his jokes and I fell for them always. Gladys was the light in his eyes as he was the light in her eyes. I will see you in heaven
