“ Thanks to God for His Salvation! Grampa is in heaven with the one who saved him from eternal separation from The Father and eternal damnation and punishment. I am thankful for a father-in-law that raised his children to love God and love others. Thankful for Chuck’s “dad” jokes before dad jokes were a thing! Thankful for his generosity and merciful spirit.

*I observe the journey behind Chuck and see a family legacy rich in love, humor, and a desire to serve God. I see a man that desired to be Christ-like. I know Chuck heard the words “ WELL DONE THOU GOOD AND FAITHFUL SERVANT”.*

*You will be missed*

*What an incredible life well lived. I will always remember all of the laughter at the terrible jokes (I still tell some of them!). What a blessing you were to me and so many others. Will see you again when we all meet at the feet of our Savior!*

*Chuck was the father-in-law of my son Roger thus we shared the same Grandaughters. Chuck was an excellent photographer and he and Teresa shared many , many photographs with me & Ruth of our Grandaughters Lisa & Lori .  
We also shared many moments together when I worked for him & with him at Colorline .  
God bless you and comfort you Teresa , and so thankful to our Saviour for that blessed hope of all being together again .*

*Our family will miss Chuck tremendously and the World has lost a great witness for our Lord and Savior. Chuck was the epitome of the Galatians 5:22,23 Christian in all walks of life, and I myself consider it blessing from God to know Chuck in the many highs and lows that life brings us. Chuck shared with me a love of the CU Buffaloe football team and we sat through many a game where the only joy we had during the game was Chuck telling his many jokes to those around us as the scores were seldom in CU's favor. It is comforting to know we will meet again in wonderful peace and harmony as children of our God in Heaven.*
