“ I enjoyed being with Mrs. Christine in Amazing Greys and our Life Group. She was such a sweet lady with a sweet smile in her face. We had many conversations about family. I will miss her dearly.

Christine and I got pretty close in all the years I had known her. She was a very sweet lady. She was strong and she inspired me, she never complained of pain. The last trip we had together was with Amazing Greys. We helped each other walking up to the aquarium. I loved her dearly. She will be missed. She is in her heavenly body and enjoying herself. Christine, I will see you one day.

Do you happen to know if this is Christine Armstrong that lived in Magnolia Trailer Park a few years ago if so she was really good friends with my mom who passed away in March. She sold her Trailer and moved in with her son.
