

Mrs. Connie Louise Freeland

May 6, 1948 - October 31, 2020

We have lost the most loving and caring person from a long illness. She would help anyone in need. Seen frequently at St Elmo Airport with husband Jack and many happy years at her D'Iberville Dr homestead where she so dearly loved, she will Rest In Peace forever. We will always love and remember you. Thank you for such fond memories, we will cherish them and keep them in our hearts forever. Because of covid there will be no celebration of life. “ *Connie and her husband, Jack invited my wife and I, along with our children, down to the St Elmo Airport for our children to experience their first flight in an ultralight aircraft. Unfortunately, the weather didn't cooperate, with high winds keeping everyone grounded. They did introduce us to their friends, owners of the aircraft, and members of the local chapter, as well as feed us. It was a nice day.*

Connie was such a dear sweet lady that will be greatly missed. She always had a friendly smile and loaf of banana nut bread to offer freely. She was so generous, and she loved you, Jack, so very much. There are no words that will lessen your loss. Please know that you are in our thoughts and prayers.

*Thinking of you,
Debbie and Bill May*
