David Micheal Dixon born into this world November 10,1951 and left us on May 31,2021. He was a loving husband, father, and Paw paw. He was our strength and the backbone of the family. He was our voice of reason, a man with all the right answers and the glue that held us all together. His intelligence, quick wit and great sense of humor will be missed so deeply. The laughter we shared and warm engulfing hugs that made you feel like you were the only two people in the world, and the wonderful wise conversations we will all carry with us everyday until we will all see you again.
