“ David and I were cousins. His birthday is the day after mine but he was 2 years older. The last couple of years when wishing each other happy birthday, we always said next year we will get together and celebrate together. We hadn't seen each other in a lot of years but I thought of him often and when visiting the other brothers and sisters in Grenada, I always asked about him. In loving memory of David I will be planting a Red Oak tree on my property in St. Francisville, La. My husband and I are building our forever home there so his tree will be well taken care of. My address for now is 510 Rugby Pl. Bossier City, La 71111. You can also find me on facebook. I would like to hear from the family.

*My deepest sympathy
