

Mr. David Alan Madden

July 16, 1961 - September 9, 2023

David Madden, well-known for his exceptionally calm, kind, and thoughtful nature, passed away on September 9, 2023, in Mobile, AL. Born on July 16, 1961, in Washington, DC, David grew up in Bethesda MD. Dave is survived by his beloved wife, Theresa Avery Madden, and their children, Heather Ramsey and Andrew Madden. He also leaves behind his cherished grandson Mason Ramsey and his brother Paul (Cheryl) Madden. He is lovingly remembered by many aunts, uncles, nieces, and nephews. Dave was preceded in death by his father, Dale Madden, his mother, Margery Madden, his brother George Andrew Madden, and his son Jason Bush. He was a steadfast and considerate man who touched the lives of many.

After attending high school in Bethesda, Dave enlisted in the Army. He honorably served his country on active duty in Germany and Texas, and was very proud of his military associations. After completing his service, he attended University of South Alabama where he attained certification as a Paramedic. David was always dedicated to helping others, and made a significant impact in his field as a first responder. Throughout his career, he worked as a paramedic for several ambulance services, and later as an offshore medic.

In his free time, Dave was exceptionally talented and loved the satisfaction of fixing things with his own two hands. These projects ranged from his own

home improvements, repairs for friends and family, or constantly making enhancements to his treasured 1978 Camaro, which was a decades-long labor of love that never ended.

Dave had a sense of humor that lifted spirits and made everyone around him feel relaxed even in the most trying circumstances. He will be deeply missed by his family, friends, and all those whose lives he touched. His kind and considerate nature will forever be remembered and cherished. Everything was always going to be okay when he was around.

A memorial service to remember, celebrate, and honor David's life will be held at Holy Spirit Anglican Church, 2020 Leroy Stevens Road, on Saturday, September 23, 2023 at 1:00 PM.

“ David is my cousin. His dad & my mom are brother & sister/ I remember David as a small child when they would come to Michigan or we would go to Maryland. My brother Joey, David, Paul & I played together as children. Then we became friends later in our lives. Through all the good times & bad, we shared a common history & I will miss him. My deepest sympathy to his wonderful family & his dear brother Paul. He is in the arms of the angels now. Love you David.

I knew David Madden when my family lived in Bethesda Maryland in the 1960s. He contacted me a year or so ago after no contact since 1980. I will keep his recent letters to me forever. God bless you, my dear departed friend.

“ I met David for the first time just a few days before I married his brother. Despite his brother's life decision that destroyed our life together, those days around and including the day of the wedding are still some of my happiest memories of my life. You were a big part of them. You were there as each of your sons came into the world. You were a good son to your mother, especial towards the end. You tried to be a loving brother to Paul through everything. When we divorced, you and Theresa made a point to let me and the boys know you both would always consider us family and be there if we needed you. I regret that Kevin and Kyle never got to know you better. The distance, time and money always seemed to get in the way of spend time together. Your death has a message --- Life is a gift from God. Do not wait to spend time together and tell someone that you love them because tomorrow is not guaranteed. ---- David, you chose to stay my brother (-in-law) and you will always have a place in my heart.
