“ This family is AMAZING!! Mr David was one of the kindest men I have ever known. From the first day I met him and Jerry I knew he was going to be pleasantly different than most people in this world! God placed him in the lives of so many he impacted and he will always hold a special place in my heart. He always found a way to make me laugh it did not matter if i was there in person, on a video call, phone call, or if sweet Ms Sheila was the middle man, he made sure to let me know that he could always make me smile. The whole family welcomed me as their own always. Ms Sheila and Bart took such great care of Mr David every second of the day. I am privileged to call them my friends and honored to be called family by them. I know he is glad to be comfortable and home. Ms Sheila I love you always and come visit me soon!!
