

Mr. Dennis Troy Knowles Sr

January 2, 1959 - July 22, 2024

Around 3:01 AM on July 22, 2024, my father, Dennis Troy Knowles Sr moved on from this world into the next. He was peaceful and beautiful.

My father was a very unique man. A high school dropout but genius all the same. A true stoic, jack of all trades. Self-taught Bluegrass fiddle player, skilled auto mechanic, car enthusiast and finally later in life made his dream of working in the death care industry a reality. Which was very fitting with his morbid sense of humor. He loved horror movies, Star Trek, Stephen King Novels and was a friend to every cat that came across his path. I loved him very dearly and he was loved and respected by many.

I just know I was not ready for this and I'm going to miss him so much. I'm sure you've heard of the most interesting man in the world, well Dad was the most interesting man in My World.
