“ I will always treasure my memories of times shared with Donah, as young teens. She was my Best Friend until I moved from Mobile to Mississippi in tenth grade. Her Mother was so elegant & helpful. Donah was so full of fun, but we shared also the serious & sad..... What a wonderful Friendship we shared. She was crazy for Arthur even then & I am so happy they shared their life's Journey together. I visited her in Mobile over a decade ago ..... delighted to see her so happy! My deepest condolences to Arthur and all her family. I wish I could have meet each of you. ❤️ Kasandra Reynolds
