

## Mr. Donald Wilson Irvine Jr

December 5, 1958 - August 27, 2024

Donald "Don" Irvine, 65, passed away on August 27 following a hospitalization. Don leaves behind his loving wife Mary Anne and his cherished daughter Juliet. Don is also survived by his sisters Cindy and Carolyn and brother Mark (Teresa), his sister-in-law Ellen, and 5 nephews. He was preceded in death by his parents Donald Sr. and Phyllis.

Don graduated from the University of South Alabama, and worked in various media and communications jobs, culminating in his role as a Master Control Operator at WPML from which he retired in 2019.

Don was an avid and accomplished musician for most of his life, and known locally for his many gigs, including with the band Cafe Jammers. He still played weekly with his dear friend Geoff Cleverdon, and will be missed by friends from both near and far who were bonded with him through music.

Don's family will be planning a memorial service in the next week and will update with that information as arrangements are made.

“ Sorry to hear about "Don". We very recently received the news. He was a quiet/polite, via occasional visit, man. He was proud of "Juliett"s academic accomplishment. R.I.P. "Don"
