“ This deeply sadnes me to learn of Donna's passing. I was best friends with her younger brother Paul who proceeds her in death. She was my greatest comfort when Paul died and it seemed like my life stopped. She was a fantastic friend and I sorley wish I would have taken the time out to visit her more often. She had an amazing family and many dear friends. She was truly an angel on earth and I will miss her dearly.

“ I have so many great memories of Donna! When I would come spend part of the summer at Uncle Bedfords, I would go see all of my cousen at Uncle TJs and Aunt Fayes. The many family reunions! The times we would visit on the weekend and go mullet fishing and the be eating fish at 10:00! We always had so much fun as kids. I am glad that I got to eat some of Aunt Fayes gumbo and see Donna on my last trip to Grand Bay. Katie and I will be praying for all of you during this time. May God bless each of you and comfort you! Love you!
