JS

“ We have lost a man with great knowledge of the sewing world. I bought my very first sewing machine from Ty a number of years ago. He always gave me a great deal whenever I wanted to purchase a new one. He will be greatly missed by everyone who knew him. Peace & strength to Kim & Cody.

“ This is Edward Hensley (Ty) my husband of 20 years he was lost to death and hopefully has found peace free from his body of ailments and pain. May he be with all the loved ones lost over the years and be happy in his new world but in the mortal world of flesh and blood the whole in my life and our sons is forever an abyss. Good bye my love may you sleep in peace forever more.
