

## Mrs. Ella Sandra Capps

July 20, 1941 - August 25, 2025

In Loving Memory of Ella Sandra (Lott) Capps

Ella Sandra (Lott) Capps, of Mobile, Alabama, a devoted wife, mother, grandmother, great-grandmother, and great-great-grandmother whose greatest joy was her family, passed away peacefully on August 25th, surrounded by loved ones.

She was a devoted wife for 43 years to Carley Capps, Jr., also known as "Sugar." Sandra and Carley met on March 11, 1982, and were married on Saturday, March 27, 1982, in Chatom, Alabama. Together they shared a lifetime of love, resilience, and unwavering devotion.

She was preceded in death by her daughter, Sandra Ann Parker. She is survived by her beloved son, Jerald "Jerry" Parker, and his wife Charlene, whom she lovingly referred to as her daughter.

Her legacy continues through her grandchildren: Pamela Robbins, Crystal Adams (her sunshine) and her husband JJ (who she lovingly called her other

son), Danielle Everett, Quentin Parker, Daniel Parker and his wife Jade, Devan Smith and her husband Dan, and Daron Parker.

She was also blessed with many great-grandchildren:

- Gage, Nalaya, and Lilly (children of Crystal)
- Dylan, Christian, William, and Hannah (children of Pamela)
- Shawn, Shalee, Ella (named after her), and Marie (children of Danielle)
- Lucy, Nolan, and Rylin (children of Daniel)

Her love reached to yet another generation through her great-great-grandchildren: Ellie (daughter of Dylan) and Lilah and Huntley (children of Hannah).

Sandra, lovingly known as “Mommal,” will be remembered for the love she poured into her family and the pride she carried for each of them. She was known for her blunt honesty—never one to sugarcoat anything, she always told it like it was. She also loved the simple joys of life, especially sitting on her front porch with a cup of coffee, watching her red birds.

She also earned the title of “The Flounder Lady” for her love of flounder fishing at Cedar Point Pier. Her proudest catch was setting a record of 50 flounder in a single day, and she was featured in Woods and Water Magazine three years in a row.

Her family and friends will forever cherish her memory and the life she built with Carley, a love story that remains a testament to faithfulness and enduring

devotion.

“ *Ms. Sandy, I'm so thankful that you were part of our life. I can not express the love we have for you still, and we know that you loved us also. You have always been there for your grand children. As I always said 'I would have not survived their childhood without you!'. I will miss our daily talks..  
Listening to stories of your life..  
Your children, grand children and fishing stories.  
You are the best mother in law I could have ever wish for.  
I will hold you in my heart forever.*
