We met Ellis and his wife Alice of 30+ years, when they first came to Congregation Tree of Life in 1998. We became fast friends because of our Jersey connection. Ellis had a memory for inf. We didn't need to ask Google, just Ellis. They both loved to travel, and had many stories to tell. Always remember their Christmas parties, movie nights, and Alice's home cooking. After Alice died, Ellis was faced with life and health challenges. He was grateful for all the little things that others did for him. May he find the peace that he desired. You are missed.
