July 6, 1942 - March 29, 2021

Our mother Eva Kelly past away at Saads Hospice Facility on 03-29 this past Monday. She past away while she was sleeping peacefully. She will be misses terribly. Eva was born as raised in La. she lived in different parts of La from Lake Charles up to Slidell, she lived in La until she moved to Al. To live with her youngest daughter and her son-In -law Tina & Rick Polite. She has lived with them here in Al for over 20 yrs. Eva had 6 children that she loved very much Robin Mason 60yrs old, Dennis Midkiff (May he RIP), Kathy Heffley 56yrs old, Tina Polite 54yrs old, Robert Midkiff 63yrs old and Patrick Kelly 50yrs old. Eva loved her family and friends and enjoyed having them around her as often as she could. She would travel to Ms. time to time to spend a week or so with her best friend Patricia & her family. But as much as Eva loved her children that love could not compare to the love she had for her grandchildren and her great grandchildren that she just simply adored. Her grandchildren were Christopher (May he RIP) and Jeff Midkiff and their sister Cassie, Kenneth & Joseph Chambers and their brother Matthew, Lee Graves & Jonathan Polite, Dennis and Michael Midkiff, Joe-Joe & Robert McMullor, and Austin and Brianna Kelly the great grandchildren were Kc & Jazmine Chambers and their brothers Charles & William Seth & Haden Graves, Victoria Polite, and Isabelle & Katherine they were all the light of her life. There was nothing in this world that Eva loved more then her family except for our Lord Jesus Christ. Eva was a God fearing woman and she was proud to let everyone know it. She will be miss deeply and thought of daily.
