“ I am so sorry to hear of Frank’s passing. My family has known Frank, Kathy, Paige and April for many years. Our children were good friends and enjoyed many days swimming in their pool. Frank always had a special love for coaching and teaching the younger generations everything he could about softball and baseball. My thoughts and prayers are with the family. I pray that God will provide them with the peace and strength they will need as they begin a new journey without him in their lives. I know he leaves behind many wonderful memories. I wish that I was close enough to be with the family during this time.

“ I met Frank in 1976 living in the same neighborhood of Cottage Hill. We both worked at Scott Paper company and even rode to work together on occasion. Frank worked with me after I got my air conditioning license on our off days, for several years. He was a great friend. I’m sorry to hear of his passing and will pray for Kathy and his family.
