“ I am so sorry to learn of Garry's death. When I did not hear from him at Christmas and was unable to contact him on his birthday, I suspected something was wrong. Garry was my cousin by birth, as his birth father was my mother's older brother. We did not learn of each other's existence until we were adults! He was very kind and considerate. He drove cross-country to visit me and my mother in Texas 20 years ago and then did it again to come to her funeral in 2014! To his family, I extend my condolences and my thanks for sharing him with me. Susan Bell Biggs, Center Point, Texas

I am his granddaughter, I am trying to see if there's a funeral scheduled but cannot find any information.
