“ Tammy and Gene Jr. I am so sorry for your loss. He was a good man and done his very best to be the roll model his family and friends needed. I pray God wraps you and your family in his arms for comfort at this time.

“ Gene was a cherished friend to me, Ed and our family.. He led every construction event at ED'S SEAFOOD SHED when we owned it. He was family to all ED'S employees. He also helped us remodel our home when we moved from Spanish Fort. Not only did he have knowledge of his craft, he shared his knowledge with all who needed help. Our hearts will always hold a special place for our friend. Until we meet again sweet Gene.
