

Mr. Glenn Yuk Kong Wong

July 22, 1954 - October 11, 2021

Glenn Y.K. Wong, age 67, passed away at his home in Mobile, Alabama, on October 11, 2021, after a short battle with cancer. Glenn was born on July 22, 1954 in Honolulu, Hawai'i. He loved his family more than anything in the world. He is survived by his parents Herman and Beatrice Wong, wife Lesa G. Douglas-Wong, siblings Gary Wong, Deanna Wong, Steven Wong (Shari), and Lesley Landreth (Keoki), daughters Chanda Mitchell and Carrie Gusman, step-daughters Vanessa Lunsford (Jason) and Jennifer Crews (Justin), and grandchildren Karah Mitchell, Jackson Lunsford, Andrew Crews, and Anna Crews. Glenn also is survived by his nieces and nephews Megan Wong, Scott Lau, Kristin Wong, Jaimie Damon (Eric), Kelly Landreth, and Jake Landreth, as well as numerous uncles, aunties, and cousins whom he loved dearly. Glenn was an extremely talented musician with a beautiful voice. He loved playing his guitar and ukulele, or just about any other musical instrument he could get his hands on. And he never met a stranger. His infectious smile and crazy sense of humor made everyone he met love him. After moving to Alabama, Glenn learned to garden and was so proud of the fresh vegetables and beautiful flowers he grew. He also was a huge supporter of animal rescue and was the best foster dad ever! He and Lesa fostered almost 400 dogs and puppies but Glenn especially loved the scared or sick babies. He would cuddle them, sing to them, and sneak them chicken when he thought Lesa wasn't looking because, to him, chicken cured everything! Glenn will be taken back home to Hawai'i so he can rest in the place he loved

the most. Services will be announced at a later date.

Because of his love for animal rescue, Glenn requested donations be made in his memory to Hope4Hearts Animal Rescue, Inc. Donations can be mailed to P.O. Box 190681, Mobile, AL 36619 or sent through PayPal to hope4heartsar@gmail.com.

“Loved his special little packages he'd share with me from his garden. He is love for his "special dogs and fosters". Also, the first time I heard him play his ukulele was a nice surprise. He will be missed by many.

I purchased my home across the street from Glen and Lesa, just days after they purchased their home. We have been best friends since. I will miss Glenn walking across the street to bring me treats, and cooked goods, every time he got on a cooking and baking spree. . . The best food and treats I've ever had. He was a great person and friend, I am truly blessed to have so many great memories. He will be missed by myself and so many others who were blessed to have him not only as a friend, but as a Member of his family !!! RIP my friend.

So very sorry to hear about Glenn's passing. He went to the same grade school and high school with my family. One brother was his classmate. When we were young, he and another classmate spent part of their summer at our house. I'd wake up to the sound of Glenn playing a guitar and serenading us. Though I hadn't seen Glenn in a long time, I will always remember those good times. A hui hou kakou, Glenn. ❤️ Until we meet again.

Lesla and family, I am so sorry to hear that Glenn passed away. I just found out yesterday. I can't get on my "real" Facebook anymore and somehow a fake Facebook page was created in my name. Someone asked me why I don't get on Facebook and I explained to them I had been hacked 5 times. They went on n my real Facebook yesterday and that's how I found out about Glenn. God bless you, Ann
