“ *My memories of Grady are good ones that I'll always remember. I've known his wife Carolyn longer than him but they both were always good to me. Grady dearly loved Carolyn confessing his love to her with his last breath! Grady was a great karaoke singer and sang sweet love songs to Carolyn. I will miss Grady always! It makes my heart happy knowing he's in the arms of Jesus and he's no longer suffering. He has made his way to his eternal home. RIP Grady "my friend" until we meet again!*
