Heather was born on February 10, 1979 in Natchez, Mississippi to Julious and Naomi Henry. As a child she loved to compete in gymnastics. She always knew how to live life to the fullest. At her previous job, she was the first woman sales representative of the year. She was and will continue to be loved by so many. Heather lit up any room she was in even if she was the smallest one in there. She always knew how to make her presence known. Anywhere she went, Heather always found a new friend. She absolutely loved talking to people. Heather had a heart of gold, she would help anyone in need no matter

the circumstances of her own life. She was a feisty, beautiful soul who cared more for others than she did herself at times. Over everything though, Heather's favorite title was "Mama". She loved her daughter more than anything in the world. She will forever be missed dearly.

The celebration of life honoring Heather will be announced at a later date.
