“ So sorry for your loss. Susie was a true friend and although we never met in person we did talk online many times and just by reading her comments and posts it was clear that she loved her family dearly and her deep faith was sincere and heartfelt. She often posted pictures and wrote words of love and affection about her grand babies and "kin" and her husband Billy who she was devoted to.
One day we will meet face to face...R.I.P. Suzie
