“ Oh Eddie, I had no idea how much I was going to miss you. I knew it would be tough but I severely underestimated the grief I was going to experience. I have reached for the phone numerous times to call and talk to you, one time I was starting to dial your number. Do cell phones work in heaven ? Not a lot of folks knew how close we were but they also didn't know what an incredibly good time we enjoyed when we were together. Eddie, I miss you so much and look forward to seeing you again. Until then, please save a few of the Ramer Jammers for me to help with. I will always miss and love you.

“ Eddie and I went to climbing school together with Mike Akridge. I had one day on Mike and one week on Eddie. Hiring on and going to school together we three became fast friends. Even though I didn't work for Eddie, he came to my father's funeral back in the 70's. I will always remember Eddie with fondness.

“ Eddie had a smile that would light a thousand candles. He had the heart of a giant and always a kind word for everyone he met. He was a good Christian and set an example for others to follow. As kids growing up together, I always admired him. Rest In Peace my friend.

“ Eddie's smile and laughter filled the halls of Davidson High School, and everywhere he went. He was always so friendly to everyone. I'm glad that I was blessed to have known him and have him as a classmate. He will be missed and remember by all of the DHS class of 1964. RIP Eddie.

“ Eddie, David Hart and I played Drums for the Dauphinettes. We marched in many Mardi Gras parades, we went to Contests and had a great time. Eddie could make you laugh in a minute. He always had a smile on his face and a story to tell. May he rest in peace!
