“ Donald, Donnie and Darrin,
We started reminiscing the other day and thought of you guys.
Russell and I said we would love to visit and when we saw that
Jackie passed, we were heartbroken. You guys have our deepest
condolences. Jackie was indeed a kind soul with every breath that
she took. We loved having you guys as our neighbors and friends
way back in the 70s on Amite Drive. We send comfort and
acknowledgment of her sweet life. Russell and Josline Frank

“ Donald, Donnie, Darrin and family our thoughts and prayers are with
your family. She is now at peace with her loved ones and with our
Lord and Savior Jesus Christ. We still have the memories of the
New Year's Eve parties and most of all the Saturdays that we
played trivial pursuit together.
