“ *From Her Work Family*

We are deeply saddened by the loss of our dear colleague and friend, Jane. Her dedication, warmth, and unwavering positivity made a lasting impact on everyone she worked with. Jane was more than just a team member — she was a source of encouragement and a true friend.

Her professionalism was matched only by her kindness. Whether she was lending a helping hand or sharing a smile, Jane made our workplace feel more like a family.

Though we mourn her passing, we also celebrate the beautiful life she lived and the joy she brought to our days. Jane will be deeply missed but never forgotten.

With love and remembrance,

Barksdale Dental Lab (Previously known as Bay Crown & Bridge)
