“ Miss Jane (that's what most called her) was a one of a kind lady. She and my family just hit it off. I have never met anyone like her. My family and I loved her. I remember going to a Gaither concert with Miss Jane not long after coming to College Park Baptist. My Family and I enjoyed the concert. Some how I was behind the wheel on the drive home. I thought I knew the way home, but somehow ended up driving by the "Pink Pony." She was very patient with me and helped me get back on track. We had a very special bond. I am thankful to know that she is with Jesus and heaven is a lot sweeter with her there. Claudia, our prayers are with you. Jim, Edie, and family.

“ *Jane Brock was a true lady in every respect of the Christian way. She was a lover of her fine clock collection. We enjoyed many times watching her filled with excitement and pleasure, when my husband would restore one of her many clocks she owned. She was a sensitive beautiful giving soul here on this earth*
