“ I would like to send my sympathy to the family of Mrs. Jane. She and her family has been a part of our family for over 30 years since Tina married Terry Jr. I will always remember her with a smile and saying it okay, it will all work out. She was such a pleasant person to have a conversation will. May she Rest In Peace.

“ Another flower that was a favorite of yours is a gardenia. I do love these as well. I do miss you terribly but have to keep reminding myself that you are in a much better place and you have a perfect body. You also are able to worship our Creator and instead of imagining what it would be like to be in heaven, you are there with Dad and everyone that has crossed over. You were a great example of believing for big things and expecting changes. You loved to pray for people. We will try to keep all what you taught us close to our hearts with the Lord's help of course. We will always remember you and look forward to seeing you again soon. Love you Mom!!
