“ *Wanna start by saying that I just can't believe this is real and I'm even doing this but I was asked to and I'm a man of my word! Jarrod was a great guy and even better friend of mine! We enjoyed playing pool together on the weekends and even played in a pool league together. Gonna miss him coming into our neighborhood and coming by the house on Halloween trick or treating with his boy. Jarrod was the kind of guy that could turn a bad day upside down and manage to make you smile and laugh. We enjoyed some good times together and I'm sure gonna miss it. Until we meet again my brother!! RIP buddy*

“ Jarrod was the best stepdad anyone could ever ask for. He was there for Damon since he was six months old. The two has been inseparable since.

Jarrold, It really breaks my heart that you are no longer with us. That Damon will have to go through life without you now...it's hard to wrap this around my head...everything that's happened. But you were always there for us no matter what. I will always miss our family trips we would take and our family game nights. It's some of the best memories I have of you. You never stopped being family to us. I hope you continue to lookout for Damon as he goes through these next few days, months and years without you. Please lookout for our son and make sure no one has any ill intentions towards him. We love you so very much and you will forever be in our memories. 💔
