“ *To the family of my dear friend Jason. I met Jason through my husband around 2016. Every time my husband visited Victory, he always came home with these amazing stories that he and Jason talked and laughed about. The day I met Jason was like meeting a family member. Jason was a person that you always wanted to be around because he was genuine and true. When my husband passed away unexpectedly, I left a message for him to call me. (Jason was on vacation) When he returned, he called me and the first thing he said was I haven't heard from Marlo what's he up to. When I told him what had happened, Jason immediately dropped everything and was there for me and my family. Jason will definitely be missed here on earth but his spirit will forever have a place in my heart. Rest In Heaven My Friend*
