Jason Richard Wilson age 40 passed away peacefully at home on March 15 after a long illness with his loving family by his side. Jason resided in Citronelle Alabama for a short time. He leaves his two loving sons Jayden J. Wilson and Gavin J. Wilson both of Fall River MA. His mother Donna Burke and husband Michael Burke of Citronelle, Alabama. Grandparents Doris Tan and Ramiro Arruda of Fall River. Stepsisters Kellie Laneres and husband Dan, Stacy Burke and husband Mike. Father Clifford Wilson of Swansea and the late grandmother Helen Wilson. Half-brothers Richard Wilson and Nick Wilson half-sister Bri Wilson. Many aunts, uncles and cousins. Jason worked at MJD for several years.

Jason loved his boys deeply. Being a doting dad on the sideline of their sporting event made him happiest. Then snuggling with them warmed his heart. I hope that will forever be in their memories and hearts.

Jason will be cremated then in the near future will have a memorial service in his hometown Fall River Massachusetts
