

Mr. Jene Anthony Williams

October 22, 1952 - November 26, 2022

Mr. Jene "Tony" Williams, 70, of Dixons Mills, AL transitioned from this life on November 26, 2022, at The Retreat, Hospice by Saad in Mobile, AL. He was born October 22, 1952, in Dixons Mills, Alabama. As an Air Force dependent, Jene's father was stationed in different cities, leading to Jene attending several schools in his lifetime. Eventually, the family settled in Montgomery, AL where he attended Carver High School before joining the Air Force. After leaving the military, he spent the mid 1970s as a live-in assistant and chauffeur to help his cousin, John Hosea Malone pursue his musical career. Much of the rest of Jene's life was spent by his mother's side, helping care for his grandmother, and then his mother until she entered the nursing home. Known as a handyman, Jene used his skills to help those in his community, sometimes for little or no pay. Like his mother, Jene lived a life of service and sacrifice to ensure his loved ones were well cared for.

Jene was preceded in death by his parents, Jene J. and Doris M. Williams, along with, two siblings: Kenneth Elliott Williams and Claire Bernadette Powers. He leaves behind three daughters: Carawanada Aaron (Robert) of Montgomery, AL, Gena Trust (Ryan) of Norcross, GA, Alicia Dorsey of Montgomery, AL, six grandchildren, six great-grandchildren, sister: Sebra W. Ferrell (Jose) of Dacula, GA, half-sisters: April S. Williams of Tallahassee, FL, Selena T. Williams of Tampa Florida, three step-siblings: Carmen Williams (Albert), Desiree' Hills, David A. Hills, and several nieces and nephews. Jene's absence will forever be felt by all those in Dixons Mills and beyond!
