“ *JERRY MULLINS, many times you told me to hurry up or you were going to leave me. Well this time you did. This morning we were talking about all the times you stopped and gave little kids an autographed picture and made you smile as much as the kids. You would say, lets make them think we cheating and don't but win. We called Neil Bonnette and he brought us a Nitrous Oxide System you put on, after certain person knew you sneaked and took off before race. You won race and all pits was there on tear down but you got trophy. Jerry you gave me, my family and a lot of people fun times. Earline I had a Stroke in 19 and have difficulties walking & can't make it But God Bless All.*
