

John Howard Bull

December 16, 1954 - April 22, 2026

John Howard Bull, III, passed away on April 22, 2026. He was born on December 16, 1954, in Gadsden, Alabama, and was a longtime resident of Mobile, Alabama. John dedicated over fifty years of his life to his work as a millwright in the Mobile area.

He was known for his strong work ethic and commitment to his craft. Outside of work,

John found great joy in gardening and canning, and he was an avid fan of Alabama

football. He also enjoyed music, hunting, and fishing—pastimes that brought him peace

and connection with those around him. John regularly attended Sunday church services at Asher Point, where he was a familiar and welcomed presence. He especially looked forward to “Fried Chicken Sunday,” a simple joy that reflected his love for fellowship, tradition, and community. He was also well known throughout the Asher Point community for his peppers and tomato plants, which he tended with pride and often shared with others. He was preceded in death by his father, John H. Bull, Jr., and his mother, Mary Gwendoline “Gwen” Moore Bull. John is survived by his loving wife, Sandra Turner Bull; his brothers, Donald Mark Bull (Shirley) and Richard Alan Bull, Sr. (Sharon); his sons, John H. Bull, IV, and Jeremy

Alan Bull, and their mother, Patty Bull; and three grandchildren, Gracey Alana

Bull,

William Ezekial Bull, and John Daxton Bull. In addition, John is survived by his stepdaughters, Autumn Porter (David) and Rubye Duckworth (Daniel); and his step-grandchildren, William Porter, IV, Deliya Duckworth, and Delaney Duckworth. He is also remembered by many other relatives, close friends, and his beloved Asher Point community family, where he and Sandra met and made

their home. A celebration of life will be scheduled by the family at a later date.

A memorial service

will also be held at Asher Point.
