“ From the age of 16, you called me "brat", then you married my sister Sharon and for the next 40+ years I continued to be your brat. Just like any brother in law, you made me laugh until my sides hurt, cried with me at funerals, applauded celebrations, problem solved and stood by my side with Sharon when family and friends were few and far between. Loyalty was everything to you. Thank you for always being there through good times and bad, and thank you for being such a good husband to my sister. Words cannot express how much you were loved and will be missed. I see you in your boys and your grandchildren and great grandchildren, the sparkle of mischief in their eyes. We love you. Holly (Jones) and Roger Billings
