“ I just found out you passed away. I must say, it hit me hard even though I haven't seen you in many years. I always thought a lot of you. My best memory is when I came pulling up in front of the house on Chadwick in my newly acquired Mustang GT and you insisted I do a firey burn out when I left. So, I did. All the way to the stop sign! Just for you, my friend. I will miss you. May you rest in peace, John. You were one of a kind.
