“ *It was my privilege to serve Mr. Sigler at Lynwood Healthcare Center as his Social worker. During his stay we shared many discussions, many of which was about God. Mr. Sigler always loved talking about God and his faith. I will definitely miss him and every time I pass by his room I will always think of him and the great memories we shared. I hope that somehow I touched his heart in some small way and made his stay more pleasant. I pray for strength, peace and comfort for Ms. Sigler and the family.*

I can still here him ask, "What is the password" and I respond and say ummmm. and he say, "yes that is it"
