Johney Hall 43, of Mobile, left this world far too so on December 24th, 2024, leaving a legacy of love, laughter and legendary hugs. His passing was sudden and unexpected,

and while our hearts ache with his absence, we celebrate the life he lived.

Johney was survived by his wife Ariel Hall daughter Aariah and daughters Ja'Coryia Hall

(Patrick), Aliana Hall (Richard), Chloe White (Justin) and Lauren Hall, His parents

Johney Grew up in Ft. Myers Florida, lived in Florida most of his life, Attended Estero

High School and after that Johny became an Entrepreneur, he wanted to build his

kingdom and be his own boss.

Johny had an uncanny ability to make anyone smile and feel better about anything. To

know Johny was to receive a piece of him, as he gave freely of himself to everyone he

encountered. He brought so much joy to so many people.

Johny loved fiercely and unconditionally, and he wasn't afraid to show it.

Whether you

were a lifelong friend or someone he met a minute ago, he made you feel like you

belonged. He was the glue that held so many of us together.

Johny had a passion for life that was infectious. He was a connoisseur of shoes, from

his Jordens to his Deck shoes, rocking them with the unshakeable confidence of Mr.

GQ himself. A lifelong fan of the Dallas Cowboys, win or lose, you could find him

cheering or yelling loudly for his team.

Johny lived his life loud, large and unapologetically. He made life brighter and fuller,

and his absence leaves a void that can never truly be filled.

God Speed J Hall!!
