“ *When Judy and Ernie moved to Foley, they were automatically considered, family, by me. So kind and thoughtful and loved more than I can ever express.*
Rest in peace, my dear friend and adopted family member. We will see each other again, in heaven. ❤️🙏

“ *Several years ago my wife, Pam and I were visiting Foley, Alabama and had traveled there by motor home. At one of the very popular seafood restaurants there one evening, we waited in line for what seemed to be a good long time. As it turned out, that wait was fortuitous because waiting right after us was Judy and Ernie Ashbaugh. We had a great conversation and continued it when we were seated. We saw Judy and Ernie every day that week and did so on subsequent trips to Foley. What great conversations we had. Now both Pam and Judy have passed and both are greatly missed.*
